HARVEY non ripetuto tutto il giorno che siamo stati 2			Marta e Alberto Harvey GRAZIE
toristi fortunati, beh, non so se lo dica a tutti, ma noi			
siamo certi di esserlo stati. Questo tor parte indipendentemente			
che ci siano 2 persone o di più, noi eravamo in due. Oggi sono			
qualcosa da imporre, sulle piante, sugli animali, sulle storie			
e sul fuoristrada. Abbiamo visto un gran numero di animali, alcuni			
comuni, altri meno. Abbiamo avuto la fortuna di vederli un dugongo			
2 3 m da noi, due delfini che cacciavano in 20 cm di acqua, molti			
squali, per noi un tigre, 2 dotti di HARVEY, enorme, tartarughe,			
razze, mante, eccettore, un canguro. I colori fantastici, le impronte tutte			
da scoprire... poche parole per descrivere, mille ricordi da custodire!

Venire fino a Monkey Mia per vedere i delfini? Non solo! L'esperienza più bella è trascorrere una giornata attraversando le bellezze, i colori, la luce del parco F. Peron! Immanicabile ...

Ma per apprezzare tutto questo, non rinunciare ad una visita guidata in 4WD, con Harvey e il suo team. Tutta un'altra cosa.

Wonderful day wandering the outback + shore. Saw Kangaroos, Duogongs, Rays, Sharks, Turtles + rare birds. Amazing seeing the desert sands spill over the cliffs onto the building beaches. Great host, well driven, lots of places that most people never see.

If you only do 1 thing in Shark Bay go on the 4WD trip through Francois Peron National Park with Harvey. Harvey was an amazing host. His knowledge of the flora & fauna was outstanding. We had a real adventure helping others who became bogged in sand.

Harvey is really skilled at driving in these conditions and made the trip heaps of fun. He is a great story teller. We saw lots of wildlife & marine animals and will never forget the great adventure we had today — Thank you Harvey!
